Name and address of the subject established in the community authorised to constitute the technical manual

Nuova A.F.R Srl

Via Pompeo Mariani 6/A-20128 MILANO

Description of the machine:

Generical denomination: **Machine for the cleaning of particulate filters**

Function: **Cleaning of particulate filters for cars, buses and industrial vehicles**

Model: **Flash Cleaner Machine**

Serial Number: 0278

The signatory company, under its sole responsibility, DECLARES that the machine, to which the present declaration relates, meets the requirements:

- of the 2006/42/CE directive (Machinery Directive) published in the official gazette of UE L157 dated 09/06/2006
- of the 2014/30/UE directive (EMC Directive) published in the official gazette of UE L96 dated 29/03/2014

The machine meets also the following harmonised standards:

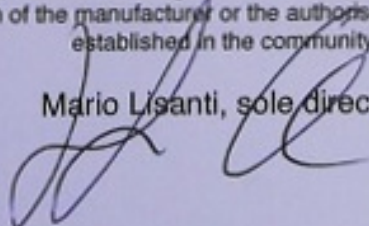

- CEI EN 60204-1
- UNI EN ISO 12100
- reference to harmonised standards concerning electromagnetic compatibility

The present conformity declaration is released under sole responsibility of the manufacturer. The object of the declaration as above meets the standards of UE.

Name, function, and signature of the signatory who has the delegation of the manufacturer or the authorised representative established in the community

Milan, 14/06/2018

Mario Lisanti, sole director

The present declaration of conformity was drafted as referred to in annex 2, point A, and is applicable to machines. The declaration of conformity must accompany each machine.
